

OUR STORY

Bates and Myers is a full service commercial real estate company specializing in Dallas County, the Stemmons Freeway Corridor, and other industry driven Dallas sub-markets. We have a long history of selling, leasing, and managing commercial properties, and bring a service-oriented approach and can-do attitude to all our projects. Our mission at Bates and Myers Company is to be the most effective real estate company in our industry. We offer a sleeves rolled up, diligent, professional approach to selling, leasing, and managing commercial real estate, with the utmost integrity.
